

**April 14, 2009**  
**Dinner Program**  
**California Film Extruders and Converters Association**

**"Resin Forecast"**

**Featured Guest Speaker:**  
**Nick Vafiadis**  
**Business Director, Polyolefins**  
**Chemical Market Associates, Inc.**

*This presentation will focus on the forecast for polyethylene by examining the key drivers and trends shaping the industry including a review of energy prices, economic changes, production capacity changes and their impact on resin pricing, resin supply and demand.*

This program will be a good resource for business owners and professionals in the Plastic Industry to allow them to make strategic business decisions based on the recent unpredictability in the global financial markets.

CMAI is the premier provider of Market and Business Advisory Services offering a unique combination of consulting analytics and expertise for plastics, the global chemical, fibers and chlor-alkali industries. With offices in Houston, New York, London, Dubai, Düsseldorf, Singapore and Shanghai, CMAI has provided expert advisory services to a broad base of companies across multiple value chains and geographies since 1979. Clients to CMAI services include plastic converters, chemical and oil companies, technology & EPC companies, banking and financial institutions, textile & apparel manufacturers, brand-owners, grocers/retailers, government agencies and trading companies.

Signature Flexible Packaging is a full-service flexible packaging converter based in the Los Angeles area. Originally founded in 1954, Signature delivers virtually every flexible packaging solution utilizing the latest technologies.

Our barrier films offer the optimum combination of function, consumer appeal, and value to the clientele. Signature's printed and plain roll-stock is optimized for vertical and horizontal form, fill, and seal packaging machinery. Pre-made pouches and bags are produced in a variety of shapes, sizes, and configurations, including stand-up pouches with zippers, quad-seal pouches, and spout and handle pouches. Graphic, technical, and turn-key support is available for any aspect of a flexible packaging project.

Signature's two facilities in Los Angeles County provide first-rate printing, laminating, slitting, and converting capabilities together with excellent customer service and response. A seasoned supplier of flexible Packaging and a model employer and good corporate citizen, Signature Flexible Packaging is the right choice.
