Join us for an evening of networking and presentation to learn more about what is happening to our weakening industry including updates from "The Save The Plastic Bag Coalition" and the current issues being faced by the plastic film and bag industry. By attending this program you will learn how:

- ✓ The California Legislators are proposing new ideas and bills that will kill our industry from t-shirt grocery bags, food packaging and more...their scope has widened
- ✓ Participate in a "CFECA Board Round Table." Ask your Board anything you want including how they can serve CFECA members better
- ✓ Get an update on the status of bills that CFECA has taken positions on or is watching for amendments
- ✓ Obtain a copy of our current "CFECA Legislative Watch List"
