## “SAVE THE PLASTIC BAG”

California Film Extruders and Converters Association

### Stephen L. Joseph Counsel for the Save The Plastic Bag Coalition

The impact of the recent plastic ban efforts in all supermarkets and retail stores will have a negative impact within our industry if we don't take action now. Our September program will discuss the one-sided myths and false information being circulated about plastic bags. Learn more about what the Save The Bag Coalition aims to do to battle bag opponents at the state and local level and how you might get involved.
